The town is small, but that doesn't mean it's not fun! We recommend stopping by On Da Beach Restaurant which is, as you guessed, on the beach! These local hot spot serves classic Bahamian food in a relaxed and fun setting, a perfect way to end your day.

TUESDAY

Morning

Get breakfast at the Abaco Inn. A big hearty breakfast is a guaranteed way to keep you going strong all day long.

Surf's Up

The Abaco's are renowned for their waves, and surf competitions are regularly held in the breakers nearby. The soft sands make this an ideal place to learn how to surf, and so we recommend spending a bit of your vacation taking up this fun sport. Surfboard rentals and lessons are available, please call Jack at 242-475-5800 to set up.

Paddle Around

Spend the afternoon relaxing and recovering from surfing by our pool, but then take advantage of the sunsets over the water by renting a kayak or paddle board. Observe fish, conch, and more under the waves, while catching a beautiful view in the evening. Call Jack at 242-475-5800 to set up.

Dinner

Return to the Abaco Inn for a delicious dinner of fresh caught fish or vacation favorites in a relaxed and happy setting.

WEDNESDAY

Morning

Get breakfast and suit up; if you're a more adventurous type, today is a great day to do some diving!

Dive Bombing

The Abacos are home to some of the most beautiful reefs in the Bahamas; where a lack of heavy traffic means that many of our reefs are untouched by pollution or human exposure. Charter a dive boat that will take you to two dive sites and show you reefs, underwater tunnels, wrecks, and more.

Don't worry, if you're not a diver yet, you can always book a Discover Scuba Diving session; where an expert diver will take you on a guided tour that will introduce you to the basics of scuba diving in a safe setting so you can explore underwater with confidence.

Paint the Town Red

Go back to town in the evening for sundowner cocktails or local food at one of the many restaurants or inns there. Explore street art and hidden alleys of potted plants while you do so.

Abaco Inn is committed to helping you make the most of your vacation. If you need any help booking an excursion or making a reservation, please let us know at 242-699-1368

One Week Travel Itinerary

ABACO INN

THURSDAY

Morning

Get breakfast and walk along the beach. Today is all about relaxing.

Laid Back

It's easy to overdo it on vacation and get swept up in all of the activities there are to do. Therefore, we highly recommend a day of doing nothing at all; with plenty of pool time or walks along the beach.

Bring a favorite book (or a new one!) and sit back and relax. You deserve it, after all.

Dinner Indulgence

We would love to recommend you to come back to the inn for dinner, but Abaco is full of lovely restaurants to try out as well. If you need any recommendations, we are more than happy to help you choose something fresh and fun for dinner, and of course for after-meal cocktails as well.

FRIDAY

Rise and Shine

Up and at 'em! Today is an early start.

Reel Cool

It wouldn't be a trip to the Bahamas without tacking on an epic fishing trip. Whether you are a novice or a seasoned deep-sea fisher, it's always a fun day out on the waves when you're on a boat with your reels and lines.

The Caribbean boasts some of the richest and most diverse array of fish species, meaning that no matter what you reel in, it's sure to be delicious.

Dinner of Champions

At Abaco Inn, we want to help you celebrate your catch from start to finish, and so we offer a Fisherman's Catch package where we will take your fresh caught fish and prepare it for a fresh dinner in the evening.

Victory never tasted so good.

SATURDAY

Yum Yum

Eat breakfast and make it hearty, today is all about Marsh Harbour.

About Town

Marsh Harbour is a small but charming outpost and town. We highly recommend spending the day leisurely strolling around, exploring the harbor and seeing the large yachts that are always moored there, and even booking a massage or spa appointment to fully indulge the senses.

Like Elbow Cay and Hope Town, there are plenty of small shops and little hideaways to explore.

Get a drink, see the beach, and enjoy a day about town before coming back on the ferry.

Rest and Relax

Oh no! It's your last night. We welcome you back to the restaurant to enjoy your last meal with us, and a cocktail while you watch the sun set over the beautiful blue horizon. You deserve it, vacationing is hard!

SUNDAY

Last Hurrah

Time flies when you're having fun! Rise and shine, get an early breakfast so you can maximize your last day.

Hot Wheels

Rent a bike and cycle to Tahiti Beach; on the south side of Elbow Cay. It's a small strip of pristine sand that will be the photographic highlight of your trip. Grab a fresh coconut from a vendor nearby, and play in the waves to your hearts content.

Parting is such Sweet Sorrow

We're so sad to watch you leave, but we are already excited for your return. When you get back from the beach, grab a refreshing shower and then catch the ferry back to the main island. We hope that on your short journey back you're already scheming your next visit!
